

## ASSTRA COOKIES POLICY

### Use of cookies by the AsstrA

**Cookies** are small text files that are placed on your computer by websites that you visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site. The table below explains the cookies we use and why.

**Essential cookies** help make a website usable by enabling basic functions like page navigation and access to secure areas of the website. The website cannot function properly without these cookies.

#### List of essential cookies:

- Google Syndication
- JSDelivr Usercentrics
- Consent Management Platform

**You can find out more** about the storage periods, the transfer of your data collected by cookies to third parties, the legal basis for processing, by clicking the button with the shield icon in the lower left corner of the website.

**Functional cookies** enable a website to remember information that changes the way the website behaves or looks, like your preferred language or the region that you are in.

#### List of functional cookies:

- Cloudflare
- Google AJAX
- Google Fonts
- Google Maps
- Google Tag Manager
- Yandex
- YouTube Video
- jQuery

**You can find out more** about the storage periods, the transfer of your data collected by cookies to third parties, the legal basis for processing, by clicking the button with the shield icon in the lower left corner of the website.

**Marketing cookies** are used to show ads that will be relevant and interesting to a particular user and thus more valuable to publishers and third-party advertisers.

#### List of marketing cookies:

- Facebook Pixel
- Facebook Social Plugins
- Google AdServices
- Google Ads
- Google Analytics
- Hotjar

**You can find out** more about the storage periods, the transfer of your data collected by cookies to third parties, the legal basis for processing, by clicking the button with the shield icon in the lower left corner of the website.

### How do you can change your cookie settings?

You can change your cookie preferences at any time by clicking the button with the shield icon in the

lower left corner of the website. You can then adjust the available sliders to “ON” (check mark on orange background) or “OFF” (cross on a gray background) then clicking “Save settings”. You may need to refresh your page for your settings to take effect.

Alternatively, most web browsers allow some control of most cookies through the browser settings.

**To find out more** about cookies, including how to see what cookies have been set, visit [www.aboutcookies.org](http://www.aboutcookies.org) or [www.allaboutcookies.org](http://www.allaboutcookies.org).

**Find out how to manage cookies on popular browsers:**

- Google Chrome
- Microsoft Edge
- Mozilla Firefox
- Microsoft Internet Explorer
- Opera
- Apple Safari
- Yandex

To find information relating to other browsers, visit the browser developer's website.
